Our Mission

Incendiary Circus, LLC exists to promote the enjoyment, art, and inspiration of fire performance. We support all levels of learning, from beginner to professional, with an emphasis on the individual rewards that come through active participation, personal challenge, and social interaction.

We're in it for the fun!

Incendiary Circus was founded in 2003. Since that time the troupe has grown to dozens of individual fire freaks that make up our multi-talented Tribe. In the spring of 2007, Incendiary Circus formed into a much more specialized troupe consisting of 9 core members, while retaining the services of it's former members.

All performers carry liability insurance.
